IMPORTANT INFORMATION FOR CATTLE EXHIBITORS

Keepers of cattle are required to obtain a Certificate of Compliance prior to the movement of an animal to the show. Certificates of Compliance can be obtained online from the Animal Identification and Movement system through <u>www.agfood.ie</u> or from the Cattle Movement Notification Agency.

When applying for a Certificate of Compliance keepers should not specify a destination herd.

On the day of the show the Certificate of Compliance should be presented to the show secretary along with the bovine passport for the animal.

The keeper and the show secretary will then sign the movement notification section of the certificate.

Please note that only cattle for which a valid Certificate of Compliance is provided will be allowed to be shown at the show.
